

The New York Racing Association, Inc.

Attestation of Veterinary Examination for Racing fitness OR official timed workout. Must be submitted no later than 11 am the day after entry or prior to an official workout

Horses fit to Race:

Horses fit to work:

I have examined the above-captioned horses for **Trainer** _____ entered to race OR prior to an official timed workout at any NYRA facility and have found the horse(s) to be sound at the walk and when trotted in hand and free of clinical abnormalities that would preclude it from safely racing or training. This examination cannot be relied upon as a declaration that this horse will be free of abnormalities on any subsequent date.

Signature of Attending Veterinarian: _____

Attending Veterinarian: _____ **Date:** _____

Print Name
