COVID-19

COVID-19 is an extremely contagious disease that can lead to severe illness and death. An inherent risk of exposure to COVID-19 exists in any public place regardless of precautions that may be taken. The Holder, on their behalf and on behalf of any Accompanying Party, agrees to (1) assume all risks associated with COVID-19 and other communicable diseases, and (2) comply with all related health and safety policies of NYRA.

The Holder, on their behalf and on behalf of any Accompanying Party acknowledges and agrees to comply with (1) all health and safety policies and protocols issued by NYRA, currently available [here](#), all of which, due to the evolving nature of the COVID-19 pandemic, may continue to be updated from time to time between purchase of this ticket and the event date, and (2) all current guidance of the Centers for Disease Control and Prevention and all applicable laws and policies of federal, state, city and local authorities. NYRA reserves the right to deny admission to, or remove from its property, any person not in compliance with the aforementioned health and safety policies and protocols.

The Holder acknowledges and understands that, if infected with COVID-19 or other Communicable Disease (as defined below), the Holder and/or any Accompanying Party may infect others that they may subsequently come in contact with, even if they are not experiencing or displaying any symptoms of illness, and that the risk of exposure to others remains at all times.

By using this ticket, the Holder is acknowledging and confirming, both now and in the future, that the Holder understands and expressly assumes the risk that the Holder and any Accompanying Party may be exposed to COVID-19 or other Communicable Disease. The Holder expressly understands that these risks include contracting COVID-19 or other Communicable Disease and the associated dangers, medical complications and physical and mental injuries, both foreseen and unforeseen, that may result from contracting COVID-19 or other Communicable Disease. The Holder further acknowledges and understands that any interaction with the general public poses an elevated, inherent risk of being exposed to and contracting Communicable Disease, including, but not limited to, COVID-19, that it cannot be guaranteed that Holder or any Accompanying Party will not be exposed, and that as such, potential exposure to or contraction of COVID-19 or other Communicable Disease are risks inherent in the Holder's decision to use this ticket that cannot be eliminated.

LIVE RACING CANCELLATION POLICY

The date and time of any racing event is subject to change based on, among other things, force majeure events (including, without limitation, acts of God and other unforeseen circumstances or causes beyond reasonable control). No refunds will be permitted based on such scheduling changes.

In the event that racing is cancelled at any time prior to park opening, or is taking place at Belmont Park without permitted patronage to the general public, and NYRA does not intend to reschedule such racing events, NYRA will issue ticket credits or refunds solely for all tickets/pre-paid parking purchased directly through the NYRA Box Office, or a NYRA Sales Representative, for the specific event days that are affected by such situation. In such cases, tickets purchased via third-party vendors are not eligible for a refund from NYRA and customers must directly contact the third-party vendors for assistance.

In the event that the park is opened as planned and racing is cancelled, for any reason, before five (5) races have been run, customers in any hospitality/dining venues with pre-paid buffets will be entitled to finish their selected menu and standard 4-hour beverage package only and NYRA will refund such Group for any additional hours purchased beyond the standard 4-hour beverage package. Except as set forth in the previous sentence, NYRA shall have no obligation nor have any liability to such Group. For all other customers, NYRA will issue ticket credits or refunds solely for all tickets/pre-paid parking purchased directly through the NYRA Box Office, or a NYRA Sales Representative, for the specific event days that are affected by such situation. In such cases, tickets purchased via third-party vendors are not eligible for a refund from NYRA and customers must directly contact the third-party vendors for assistance.

If racing is cancelled, for any reason, after five (5) races have been run, there are no refunds or exchanges of any kind.

NYRA reserves the right to modify your seat location(s) to adhere to potential social distancing guidelines if mandated that Belmont Park operate at a further reduced capacity level or that patrons must be significantly spaced apart, per New York State guidelines. We will provide additional information in the future should this scenario take place. Tickets may be subject to additional fees based on updated COVID-19 health and safety protocols. All ticket purchases are covered by our Bonus Credit Program, which you can view here: [Terms & Conditions](#).

NYRA reserves the right to amend these terms and conditions, and any other terms incorporated by reference, at any time without prior notice to the public, at its sole discretion.
